Sisak, September 24th, 2015.

INVITATION

Dear Sir or Madam,

Faculty of Metallurgy, University of Zagreb and Faculty of Natural Sciences and Engineering, University of Ljubljana are organizing single-day Seminar entitled as:

„Innovations as a measure of competitiveness“

Seminar will be held on **November, 6th, 2015.** at Croatian Chamber of Commerce County Chamber Sisak, Kranjčevićeva 16, Sisak, Republic of Croatia.

Founding as important industry branch represents the important factor contributing the economic potential of each country. Current market development as well as technical and economic objective, the production of high-quality, low-cost and environmentally friendly casting, requires that the application of modern advanced materials and manufacturing technologies, as well as an understanding of the production process. Within the industrial production of castings special significance is dedicated to the development of products based on innovative research activities. The objective of the Seminar is to encourage the strengthening of connections between the scientific and business sectors in the field of metal-engineering industry, with the emphasis on founding. Consequently, the seminar was designed as a presentations of the current "state of the art" research in collaboration with industry, and investment in industrial facilities with the aim to improve the competitiveness. Successful investment should be based on the benefits and potential of each region, and achievable synergy of the public policy, scientific research capacity of the business sector activities.

Such events represent an INVITATION to a common transformative process that involves a vision of the future development, identification of competitive advantage, setting strategic priorities and the use of smart policies and actions.

Application form, Seminar programme and other relevant information are available on link:

REGISTRATION FEE

Registration fee, which includes Book of Abstracts, CD ROM with available presentations, list of participants, and lunch, is

For the 1st participants from the firm	80,00 €
For every other participants from the same firm	70,00 €
Bank	Raiffeisen BANK Austria d.d. Zagreb
SWIFT CODE:	RZBHHR2X
Payment description	Seminar_firm, last name of participant

REMARK

Participants can register for participation in the Seminar

fax	+385 44 533 378
mail	Faculty of Metallurgy Seminar application Assist.Prof. Zdenka Zovko Brodarac Aleja narodnih heroja 3 44103 SISAK CROATIA
e-mail	foundry@simet.hr

at least till the **October 30th, 2015.**

Given the relevance of the Seminar topics and economic significance of all interested participants, we would be pleased if you find your interest for active participation in order to increase the quality of the Seminar.

Sincerely,

In front of Organizing Board
Vice-dean for Science and Finance

Assist.Prof. Zdenka Zovko Brodarac
